Dear Community Supporter,

United Health Centers (UHC) is expanding in your community, and we invite you to sponsor a room in our new state-of-the-art community health center. UHC and the UHC Foundation believe that everyone has the right to quality healthcare in their communities, and our building interiors reflect the quality of healthcare services the staff will deliver every day.

The UHC Foundation's Adopt-A-Room Program is a partnership that allows you, your company, or your organization to be the exclusive name sponsor for one or more of the rooms or waiting areas at our health centers. Your donation will help fund the room you sponsor, from the medical equipment to the furniture and décor. The physical environment sets the tone for each patient's experience, and we want every patient to feel comfortable and confident in the care they receive.

**We invite you to become an Adopt-A-Room Sponsor for our new Fresno health center located at Milburn and Herndon. This sponsorship includes the following benefits.**

Adopting a room allows patients to associate your name with quality care and intelligent design. Sponsors receive a beautiful plaque with their name, logo, and ribbon cutting ceremony where it will be placed outside of the adopted room for the duration of the sponsorship. Sponsors may also display company posters within the sponsored room.

In addition, the UHC Foundation will acknowledge your sponsorship on our website and through short vignettes of your company on the lobby televisions. Sponsors also receive guest passes to the UHC Foundation Spring Gala, and print advertisement in the new UHC Foundation Community Newsletter.

Your donation to the UHC Foundation, a 501(c) (3) nonprofit organization, will go directly to improving the health and quality of life for members of our community. Your contribution will support individuals and families living in and around Northwest Fresno as we anticipate the Fresno: Milburn Health Center will schedule more than 10,000 medical, dental, and other appointments annually with over 16 medical exam rooms, optometry, chiropractic, behavior health, dental suite and several waiting areas.

For more information about the Adopt-A-Room Program or other ways to support the UHC Foundation, contact Pedro Santana at 559-646-6618 ext. 3575 or via email at [santanap@unitedhealthcenters.org](mailto:santanap@unitedhealthcenters.org). We are grateful for your contribution!

UHC Foundation is a tax-exempt organization. Tax ID # 46-0693359.

Sincerely,

Jose Plascencia
